Staffing Solutions For All Needs

We supply HCAs, Senior Carers, Nurses, Mental Health Nurses, Social Workers for temporary and permanent staffing positions to Nursing Homes, Residential/Dementia Care Homes, Hospitals, Supported Living Homes throughout the UK. We're proud to offer you a local, agile approach to recruiting healthcare staff.

We're proud to offer you a local, agile approach to recruiting healthcare staff.

Be assured our process for recruitment is very stringent to ensure quality and dependability of service. Those we care for deserve to receive the correct level of care from our healthcare professionals.

Healthcare staffing and recruitment means more than just filling a position. Carex Staffing can connect you to a large and diverse pool of healthcare candidates with in-depth experience. We provide health care staffing services to a wide range of institutions of all sizes such as care homes, nursing homes, residential homes and hospitals. We are dedicated to the recruitment of temporary, fixed term and permanent staff for health care organisations and placing them in the right role.
